Tropical Ports of Call.....

Papeete, Tahiti

Immortalized by Gauguin's paintings, Tahiti is much more than an island; it's a state of mind. Papeete, capital of Tahiti, is the chief port and trading center. It's also a provocateur luring people to her shores. Today the island is a charming blend of Polynesian "joie de vivre" and Gallic sophistication. But venture out from Papeete, and you'll find a landscape of rugged mountains, lush rain forests, cascading waterfalls and deserted beaches.

Moorea, French Polynesia

French Polynesia is made up of some 130 islands, of which Tahiti is the best known. Just 12 miles across the lagoon from Tahiti lies Moorea. To discover the Polynesia of Melville, Gauguin and Michener, you must visit Moorea. This former haunt of Tahitian royalty is a place where you will still see fishermen paddling outrigger canoes, pareo-clad women strolling along the roads and children fishing from island bridges. It is an island of steep vertiginous mountains where most of its 14,000 people live along the narrow coastal shelf, with a backdrop of lush green mountains rushing upwards to fill the sky.

Raiatea, French Polynesia

Take in stunning views of Raiatea's mountains during a sunset cruise across the lagoon. Sail past Mount Toomaru, the island's highest peak, and slip through Tetoora Pass to watch the waves breaking across the barrier reef as the sun sinks into the Pacific. Discover the secrets of pearl farming, from grafting to culturing pearls in Pacific oysters.

Bora Bora, French Polynesia

No name captures the imagination of paradise as well as the French Polynesian island nation of Bora Bora. Majestic mountains sculpted by ancient volcanoes, a shimmering lagoon and a barrier reef dotted with tiny motu or islets welcome visitors to perhaps the most stunning island in the South Pacific, and generations of travelers — including novelist James Michener — regarded Bora Bora as an earthly paradise. Approximately, a mere 4,600 people live a seemingly idyllic lifestyle in the main villages of Vaitape, Anau and Faanui.

Hilo, Hawaii

The "Big Island" of Hawaii is the youngest and largest of the Hawaiian Islands, and the most varied in landscape—with striking black sand beaches and green sand beaches, tropical rain forests, ancient Hawaii heiau ruins, alpine terrain, and surreal lava rock landscapes. Hilo, the eastern side's port city is where the seat of the Big Island's government resides and it is a launching point for the myriad of Big Island attractions.

Maui (Lahaina), Hawaii

Maui is the second largest of the Hawaiian Islands and it holds a special place in Hawaiian history. The great warrior, King Kamehameha, who united the islands under his rule, chose to make Lahaina his capital. And no wonder, Maui boasts some of the world's most superb beaches and dramatic mountain landscapes. In Maui, you can witness humpback whales navigating the warm blue waters off the coast, go snorkeling alongside green sea turtles and rainbow-colored fish in the bay or shop 'til you drop in Old Lahaina — there's always something to do on Maui.

Kauai (Nawiliwili), Hawaii

The fourth largest and oldest island in the Hawaiian group, Kauai is known as the "Garden Isle" simply due to its incredible lushness. Kauai's terrain ranges from the volcanic slopes of Mt. Waialeale and the desert-like beauty of Waimea Canyon to the Wailua River's lush Fern Grotto. Explore Kauai from its lush green valleys, cascading waterfalls and geological wonders, such as the dramatic Nā Pali Coastline.

Honolulu, Hawaii

Home to nearly half a million people, Honolulu is Hawaii's state capital and only major city. The city of Honolulu and the island of Oahu offer a wealth of historic, cultural and scenic attractions. Beyond the city lie tropical rain forests, the lush Pali Lookout and the North Shore known for its excellent surfing beaches.
